Declaration of Contamination

02/2022 WT/SWü page 1 of 2

ARMANO Messtechnik GmbH Recipient:

Standort Beierfeld

Vertrieb

Am Gewerbepark 9

08344 Grünhain-Beierfeld, Germany

The repair, maintenance and/or disposal of instruments and components will only be executed if this declaration of contamination is filled out completely and accurately.

The shipment may be rejected if this declaration is not included, which results in a delay of the workflow. A separate declaration has to be completed for each single instrument.

This declaration is to be completed and signed by authorised qualified staff only.

1) Description of the instrument					
Model:				 	
Item number:				 	
Instrument number:				 	
Invoice number:				 	
Delivery date:				 	
2) Reason for the submission					
3) Condition of the instrument
