Declaration of Contamination

02/2022 WT/SWü page 1 of 2

ARMANO Messtechnik GmbH Recipient:

Standort Wesel Vertrieb

Manometerstraße 5

46487 Wesel-Ginderich, Germany

The repair, maintenance and/or disposal of instruments and components will only be executed if this declaration of contamination is filled out completely and accurately.

The shipment may be rejected if this declaration is not included, which results in a delay of the workflow. A separate declaration has to be completed for each single instrument.

This declaration is to be completed and signed by authorised qualified staff only.

1) Description of the instru	ment		
Model:			
Item number:			
Instrument number:			
Invoice number:			
Delivery date:			
2) Reason for the submissi	on		
□ claim	□ repair		☐ supply (instruments have already been used)
3) Condition of the instrum	ent		
		yes	no
Was it in operation?			
Used medium (if possible, please enclose safety data sl	neet):		
Emptied (product/working ma	aterials):		
All vents hermetically sealed:			
Purged:			
Purging agent:			
Purging method:			
Information on measuring ins	truments for	r oxygen app	olications: Upon delivery, the device is oxygen clean:
□ yes	□no		
Please note: If the device is r	o longer ox	ygen clean.	this condition cannot be restored.
